

MANITOBA INSTITUTE OF  
TRADES & TECHNOLOGY

## Create a Wiki

**Task:** You will create an internal Wiki Workspace on Notion platform. Create at least three categories of documents: Product manuals, RFPs, and How-To Guides

### Instructions:

1. Make an account on Notion
2. Create your three categories

3. Your Wiki pages must be user friendly, easy to use and simple to navigate using hyperlinks. Include technical details and content as you deem relevant for users.

## Request for Proposal Vulnerability Scanning Tool Deployment

Owner Tags Date  
Jay Dixit Empty Empty

1. INTRODUCTION
2. PROJECT SCOPE
  - 2.1 Project Requirements:
  - 2.2 Deliverables and Scope of Work:
